

consigning at *clover.*

Thanks for consigning at Clover! We sell top brand kids' clothes and shoes in great condition. We select items based on current trends and what will make you the most money. We are dedicated to having the highest standards and to being honest and fair to our consignors. **Consigning with us is easy: You bring us your best kids' clothes and shoes, and we'll give you 50% of the sale. You can't get much luckier than that!**

We understand your time is valuable and want you to have a successful appointment. Plus we want you to make money. You can help us by following these guidelines:

1. Make an appointment by calling 804.355.3517. We'll set a date, and you can come in any time during our consignment hours. We inspect your items while you wait. Most appointments take 20 minutes or less.

2. Bring items that are in season. Our schedule: January– March: spring items, April– June: summer items, July– September: fall/back-to-school items (including lightweight outerwear), October–December: winter items (including winter coats and ski apparel).

3. Inspect your items carefully before you arrive. We are a small shop, so we are highly selective. Bring in items that are clean, current and in great condition. At this time we accept boys and girls shoes and clothing and outerwear up to size 12. We do not take accessories such as bibs, blankets, socks, gloves, hats, or scarves. We do not take toys, books, or gear such as furniture, strollers, high chairs, carriers, and bedding.

4. Help us make your appointment run smoothly.

- Bring in your items neatly folded, so we can review them easily. All of your items must fit in two boxes or laundry baskets (NO hangers or trash bags). *There's no limit to the number of items you bring us, as long as they fit in 1 - 2 containers.*
- Bring us your best items. DO NOT bring in items with excessive wear and fading, stains, missing buttons, or broken zippers. Any items found damaged after initial inspection will be sold at a discount or donated to charity at our discretion.
- Remove/mark out any name tags and other personal identification.

Please be aware that if you do not follow these guidelines we may turn you away in the interest of time and fairness to other consignors and customers.

5. Leave the pricing to us. Clover prices all items based on the popularity of the label and its condition. You receive 50% of the selling price. We do not charge any consignment fees.

6. Sit back and let your items sell. Clover consigns items for 60 days. Your items will sell at full price for the first 30 days. They will be marked down 50% for the remainder of your consignment period. At our discretion, we may mark down or donate an item at any time if it is damaged or out of season. After 60 days, we will donate to charity any items that have not sold. At the end of the year you may request a list of donated items for tax purposes.

7. Check your account balance. We pay by check on Fridays if you request it by close of business on Wednesday. We keep your check on file until you pick it up. We strongly recommend you pick up your check but will mail it for a small fee. If you prefer to use your account balance towards a purchase, we will accommodate you when possible.
